Fraud and scam tips to help keep your money safe: Check fraud and government impersonator scams

Quickly spot check fraud and scams:

- Review check images after they've cleared to look for any changes. If something doesn't look right, report it right away.
- Verify your recipient received the money.
- Set up Alerts in the Wells Fargo Mobile® app* or online banking to be notified when a check clears.
- Be wary if someone sends you a check and asks you to send money back. That's likely a scam.

Government impersonation scams are on the rise.

Scammers impersonate government agencies to get at your money or personal information.

What to know:

- A government agency will never ask you to move your money, even to a "protected account."
- Keep your Social Security and Medicare numbers secure and never share them.
- If you have a real tax issue, the IRS will contact you through the U.S. Mail prior to calling you. **If you get an unexpected call from the IRS, hang up right away**, even if the caller already has your Social Security number.

- If someone asks you to move your money to another account for any reason, it's probably a scam.

IMPORTANT ACCOUNT INFORMATION

Effective June 4, 2025, we are updating the following sections of the "Availability of Funds Policy" in our Deposit Account Agreement:

The "Longer delays may apply" section is deleted and replaced with the following:

In some cases, we will not make the first \$400 of a business day's check deposits available to you on the day we receive the deposits. Further, in some cases, we will not make all the funds that you deposit by check available to you on the first business day after the day of your deposit.

Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$275 of your deposit, however, may be available on the first business day after the day of your deposit.

Except as otherwise explained in this paragraph, if we are not going to make all funds from your deposit available on the business day of deposit or the first business day after the day of deposit, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to a Wells Fargo employee, or if we decide to take this action after you have left the premises, we will mail you the notice by the first business day after we receive your deposit.

If you need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid
- You deposit checks totaling more than \$6,725 on any one day
- You redeposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six months
- There is an emergency, such as failure of computer or communications equipment

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. The funds will generally be available no later than the seventh business day after the day of your deposit.

The "Special rules for new accounts" section is deleted and replaced with the following:

If you are a new customer, the following special rules apply during the first 30 days your account is open. Incoming wire transfers, electronic direct deposits, and cash deposited at a teller window and at a Wells Fargo ATM will be available on the day we receive the deposit. Funds from your check deposits will be available on the business day after the day we receive the deposits; no funds from a business day's check deposits are available on the day we receive the deposits.

If we delay the availability of your deposit the following special rules may apply:

- **The first \$6,725** of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state, and local government checks, and U.S. Postal Service money orders made payable to you will be available on the first business day after the day of your deposit, if your deposit meets certain conditions. For example, the checks must be payable to you. If your deposit of these checks (other than U.S. Treasury checks) is not made in person to one of our employees, the first \$6,725 may not be available until the second business day after the day of your deposit.

- **The excess over \$6,725** and funds from all other check deposits will be available no later than the seventh business day after the day of your deposit. The first \$275 of a day's total deposit of funds from all other check deposits, however, may be available on the first business day after the day of your deposit.

We will notify you if we delay your ability to withdraw funds and we will tell you when the funds will be available.
