Other Wells Fargo Benefits

Beware of bank impersonation scams.

Five signs that you're speaking to a scammer posing as Wells Fargo:

1. You're asked to provide your online banking password, PIN, or a verification code. Wells Fargo will not contact you and request this.
2. You're told you need to return your card, wire money, make a cash withdrawal, purchase a cashier's check, or deposit money at a crypto or bank ATM. **Wells Fargo will never ask you to move or send money in any form to another account or a person to protect it.**
3. You're advised to keep the conversation secret due to an "investigation" or for your protection.
4. The person you're talking to will not allow you to end the call or text. A real Wells Fargo employee would not pressure you to continue a conversation.
5. You're given exact steps for how to complete a transaction, including how to respond to any bank employee questions.

When in doubt, check it out. Contact us to verify any transactions or suspicious contact. You're in charge when it comes to your money. Learn more at wellsfargo.com/nophishing.
