

Credit Card Statement Report - June 16, 2026 Scan Run

One row per filed account statement. Amounts are read from the scanned statement pages; handwritten payment notes are included only as attention notes, not as payment verification.

Card / Account	Stmt Date	Due Date	Balance	Min Due	Filed Folder	Attention

Attention items: Lowe's Pro account 6140 may be an incomplete scan because the statement says page 1 of 7, but only four pages were scanned and the last page appears blank. American Express Business Gold account 1007 says monthly AutoPay has been suspended.

Do not treat handwritten paid notes as bank-confirmed payment status. No invoices were paid and no vendors were contacted.
