Construction Loan Services II, LLC ISAOA/ATIMA
1019 39th Ave SE, Suite 220 Puyallup, WA 98374

GENERAL LIABILITY INSURANCE REQUIREMENTS

- Occurrence Limit – \$1,000,000
 - General Aggregate Limit:
 - Gross Loan <= \$600,000: \$1,000,000
 - Gross Loan > \$600,000: \$2,000,000
 - Deductibles – not more than \$5,000
 - Must list the property address or loan number on the insurance form
-

BUILDERS RISK/PROPERTY INSURANCE REQUIREMENTS

- **Coverage Form:** Broad or Special Form
- **Coverage amount:** The minimum amount of coverage acceptable must cover the full loan amount. *If coverage is less than the Gross Loan amount, the **Replacement Cost Calculator must be provided for review and approval.***
- Wind cannot be excluded
- **Property Insurance:** For loans with a budget less than 15% of the total loan amount, dwelling insurance can be accepted pending lender approval. If property insurance is approved, a builders risk endorsement is required to be listed on the form.
- **Flood Coverage:** We require flood coverage for any property that is in a “High Hazard” flood zone with FEMA designations A, B or V. In-lieu of flood coverage, please provide proof that the property is not located in one of these zones. Coverage should be equal to loan amount up to \$250,000 per FEMA regulations.
- Coverage must be provided under the General Contractor’s (GC) policy or the Borrower’s policy. If the GC’s policy is used, the borrowing entity and Construction Loan Services II must be named as an additional insured
