Consumer reports may be ordered in conjunction with this application. These reports provide information that assists with determining your eligibility for insurance.

REGARDING YOUR RENTAL DWELLING COVERAGE AMOUNT....

It is up to you to choose the coverages and limits that meet your needs. We recommend that you purchase a coverage limit at least equal to the estimated replacement cost of your rental dwelling. Replacement cost estimates are available from building contractors and replacement cost appraisers, or, your agent can provide an Xactware estimate using information you provide about your rental dwelling. We can accept the type of estimate you choose as long as it provides a reasonable level of detail about your rental dwelling.

State Farm® does not guarantee that any estimate will be the actual future cost to rebuild your rental dwelling. Higher limits are available at higher premiums. Lower limits are also available, as long as the amount of coverage meets our underwriting requirements.

We encourage you to periodically review your coverages and limits with your agent and to notify us of any changes or additions to your rental dwelling.

REGARDING PERSONAL, FAMILY OR HOUSEHOLD INSURANCE TRANSACTIONS...

We may collect personal information from persons other than the individual or individuals applying for coverage. Such personal information as well as other personal or privileged information subsequently collected may, in certain circumstances, be disclosed to third parties without your authorization as permitted by law. If you would like additional information about the collection and disclosure of personal information, please contact your State Farm agent. You may also act upon your right to see and correct any personal information in your State Farm files by writing your State Farm agent to request this access.
